

While the literal definition of TIME may be elusive, it is an observed phenomenon which allows us to honour key moments in our shared journey through life. With more than 50 years of experience in the South Okanagan, our team knows that the Okanagan Valley's unique terroir can lead to the right wine to celebrate any occasion. Enjoy this TIME Brut together.

THE WINERY

Built within a revitalized historic theatre in downtown Penticton, the heart of South Okanagan wine country, TIME Winery & Kitchen offers a tasting bar, lounge and intimate outdoor patio for guests to enjoy. This is the latest innovation from BC wine industry pioneer Harry McWatters as he continues to define the next generation of BC wine and winemaking. The wines are made by renowned BC winemaker Graham Pierce who is committed to creating wines that express the unique flavours of Okanagan wine country.

The winemaking team invites the public to visit TIME Winery for a firsthand tour and sip the latest vintages, which offer flavours of the surrounding Okanagan wine country. The experience is completed at the tasting bar and lounge, or streetside on the patio. TIME Winery & Kitchen has a full event space to provide a unique venue for your next public or private event.

VINEYARDS

Phantom Creek (Oliver) and Kuipers (Kelowna)

WINEMAKING

The base wines were fermented in neutral French oak barrels, stainless steel barrels and stainless steel tanks. Lees stirring in the barrels add complexity of this wine. Citrus, stones fruit and brioche notes on the nose with fine bubbles that open up to a rich palate and long finish.

TASTING NOTES

The palate shows a rich creaminess and texture, enhanced by a refreshingly crisp finish. Enjoy TIME with friends and family....anytime.

VARIETALS	ALC/VOL	PH	TA	RS	SKU
Pinot Noir (55%) Chardonnay (45%)	12.4%	3.16	8.1	1.0	28079
